1. Visit almost any school in Britain and the first thing you'll notice is the school uniform. Although school uniform has its advantages, by the time most teenagers are 15 or 16 they are tired of wearing it. When there is more than one school in a town, a school uniform can make differences and rivalries between schools worse.

2. What do British teenagers do to have fun? They love watching TV, going out, meeting friends in the Internet cafes and listening to music. Some teens like listening to UK garage music, but others prefer to listen to hip-hop or new metal. A lot of teenagers spend their time online, emailing their friends.

3. As well as the Internet, teenagers in Britain use their computers to play games and do their homework. They also love their mobile phones. Phones are getting smaller and lighter and you can do a lot more with them than just talk. Teenagers spend hours texting their friends and chatting.
